

### Lesson 1-5 Optional Activity

## VENN DIAGRAM

#### Journey to Adulthood in Tlingit Society and in Colonial America

Compare and contrast the journey to adulthood in Tlingit society with that in colonial America. In the part of the left circle that does not overlap, write the characteristics that are only in Tlingit society. In the part of the right circle that does not overlap, enter characteristics that are only in colonial society. In the overlapping part, put the ones that are the same in both.
